This template is intended to be used as a guide to help counties incorporate the 2006 federal disaster response criteria as part of local child welfare plans. Minors in the Probation system must also be included in the plan. County plans must be amended to include Child Welfare Services (CWS) Disaster Response Plans and be operational by September 28, 2007.

In September 2006, Congress passed the Child and Family Services Improvement Act of 2006 (Public Law (PL) 109-288). PL 109-288 amended Part B of Title IV of the Social Security Act to reauthorize the Promoting Safe and Stable Families Program. Among other changes, PL 109-288 established requirements for states on disaster planning in child welfare under Section 6 (a) (16). Accordingly, counties are requested to address the following program areas in developing local disaster readiness plans.

TEHAMA COUNTY CHILD WELFARE SERVICES DISASTER RESPONSE PLAN

CWS Disaster Response Criteria A:	Identify, locate, and continue availability of services for children under State care or supervision who are displaced or adversely affected by a disaster:
Essential Function:	1. Identification and location process of children who may be displaced
Process Description:	First step will be to determine the geographic area affected by the disaster. A DSS analyst will then run a CWS/CMS Business Objects report by school district, which will identify all potentially affected children in the disaster area. This report will be designed in advance and saved in the shared Business Objects drive so that it may be run immediately by any of the 6 DSS analysts. The report will be focused by street for more localized disaster situations. In the case of computer malfunction, a list of children in care, which will be updated monthly, can be located in the fire-proof safe. As a back-up, a list of the children in care can be accessed through the CWS/CMS laptop which will be

	<p>in the possession of a CWS on-call supervisor.</p> <p>Probation maintains a list of their children in placement, as does CWS. This list will be updated monthly by the CWS Foster Care Eligibility worker, and kept in a fire-proof safe.</p> <p>Available onsite supervisors (supervisors from CWS Investigative Response, CWS Court, CWS Ongoing, , Probation, etc. who are not affected by the disaster or who are able to physically be onsite at a DSS/Probation office) will assign available social workers/probation officers to contact caregivers who have not yet called the 24-hour DSS or Juvenile Hall emergency line. If contact has not been made with caregivers of identified children within 12 hours, the social worker/probation officer or supervisor will begin contacting the caregiver emergency plan numbers in an attempt to locate the children.</p> <p>Immediately upon contact with a caregiver, an assigned social worker will offer support and crisis intervention, offer appropriate respite services, provide referral and information for support and</p>
